and the Impact of COVID-19

Our executive met on Aug 9, 2021 and reviewed existing Ontario health protocols, as well as local and provincial restrictions and requirements for gatherings. We decided not going ahead with the Halfway Dance 2022 we don't think large gathering is a good idea right now.

So it is no surprise, but it makes us sad to announce we are cancelling the 2022 Halfway dance. We look forward to seeing everyone at the next years Halfway dance. We miss you all
take care and be safe.
